Frye Regional Medical Center

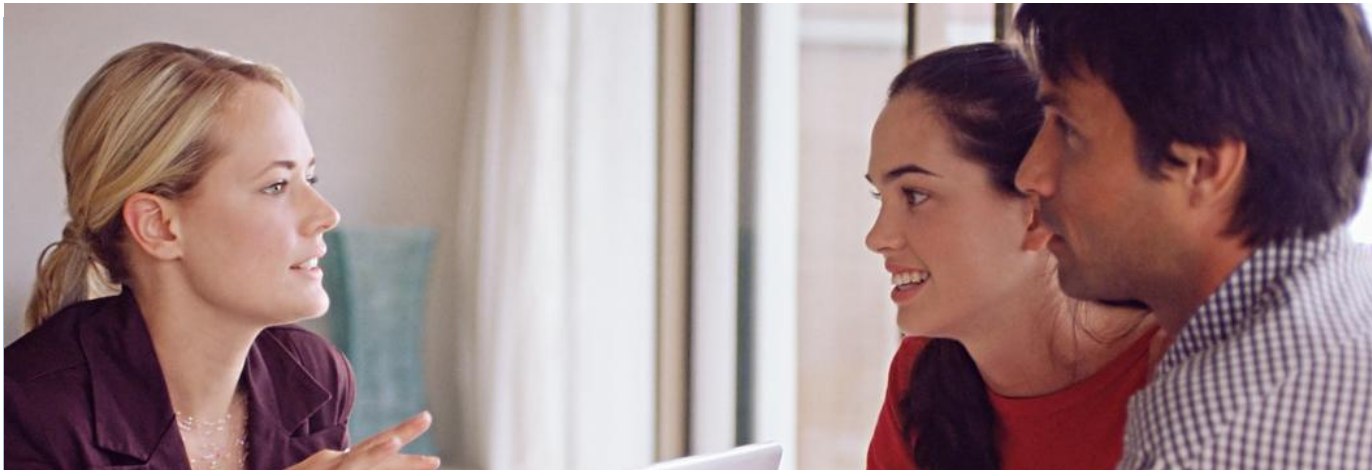

Do you need help with the cost of health care?

You are not alone.

**Catawba County has
multiple resources
available to assist you
with health care and
prescriptions.**

Know where to go for help...

Is the cost of basic health care preventing you from seeing a doctor or filling a prescription? Multiple facilities in Catawba County are available to help those who are uninsured or underinsured. Most services are available at either no or low cost.

Catawba County Public Health provides services such as immunizations, women's health, STD testing and treatment, and children's dental care to people who qualify. **For more information, call (828) 695-5800 or visit www.catawbacountync.gov/phealth.**

Catawba Valley Medical Center provides services to anyone regardless of their ability to pay. They offer a charity care policy designed to

assist those who are uninsured and underinsured. **For more information, call (828) 326-3000 or visit www.catawbavalleymedical.org.**

Frye Regional Medical Center offers alternate payment arrangements for patients that are uninsured, underinsured, or do not have the ability to pay for services. **For more information, call (828) 322-6070 or visit www.fryemedctr.com.**

The **Greater Hickory Cooperative Christian Ministry** provides free medical, dental, and eye care to qualified patients ages 18-64. **For more information, call (828) 327-0979 or visit www.ccmhickory.com.**
